TIM DEMARK

Welcome to the 42nd edition of Fall Carlisle. Thank you for joining us. Be sure to look at the 2016 schedule of events so you can plan your next trip to Carlisle. Fall Carlisle offers a fantastic swap meet, car corral and collector car auction enabling any collector to find what they want.

New this year is the North Side Collectors Corner (NSCC). Located in the north corner of the facility, a massive tent and the surrounding area will have fresh merchandise offered here for the first time. Gas, oil or soda theme signs, old time coolers, battery and coin op. toys, games and collectibles reflecting the time period of the cars we collect. It is sure to be a powerhouse by showcasing heavily hunted collectibles often seen on television shows.

In addition to the NSCC, Fall Carlisle has always hosted the strongest dealers in classic cars, NOS and remanufactured parts and you'll find the newest upgrades available in our Manufacturers Midway. This is truly a wheeler and dealer's paradise.

Visit Carlisle Auctions at the Carlisle Expo Center, just across the street from Gate 3, on Thursday and Friday. You can enjoy the collector car auction excitement by just watching or get in on the action by registering to bid.

You can find any kind of vehicle between the collector car auction and the 1500-space car corral. Take some time and check them out; there might be one with your name on it.

This event guide includes a map, lists of vendors - by specialty and alphabetically - and a schedule of events. If you need assistance finding a vendor space, just stop by Guest Services for instructions.

Don't forget to ask vendors what you are looking for so you don't miss the possibility of a find. It's also a great idea to have a sign stating what you're looking for. Fall Carlisle is a great source for networking. Remember that we can also help you with our parts hauling and on-grounds taxi services. We want to make sure you have the best experience possible.

Thank you again for being a part of the Carlisle family this season. Please contact me with any questions or concerns; I would love to hear from you.

# Tim Bowman: Off To A New Adventure

Tim Bowman joined the Carlisle Events family twelve years ago and soon became Director of the Facilities Department. As Director he manages the full- and part-time facilities' staff that is responsible for preparing and maintaining the 82-acre fairgrounds as well as the Carlisle Expo Center and several satellite properties. And you think your yard work and property upkeep is never done!

Born and raised in Carlisle, Tim graduated from Millersville University with a Bachelors Degree in Industrial Arts. He also earned a Masters in Special Education from Shippensburg University. Tim has used his education, experience and skills to better organize and improve his department thus making life better for all of us here at Carlisle Events. You can always count on his willingness to help wherever he can.

Before working at the fairgrounds, Tim was a frequent shopper at the car shows and

has grown his vehicle collection substantially over the years. While he enjoys working on his own cars and trucks, he also collects slot cars, vintage Gulf Oil items and other memorabilia that may catch his eye. Tim built his own house surrounded by the woodlands he loves and also has a cabin on State game lands where he hunts. But get this outdoorsman talking about old movies and you'll be amazed

at his knowledge. As he says, when you don't have cable in the mountains, you watch a lot of movies!

After over a decade with Carlisle Events, Tim is retiring at the end of this season, giving him time to pursue his hobbies and create others. If you see him this weekend, be sure to wish him a happy retirement. One thing for sure is that we'll all miss him. Happy trails Tim!

---

### **From Carlisle Events Co-Owner Bill Miller**

"Mr. Organization has done an outstanding job keeping on top of maintenance and show preparation for Carlisle Events for many years. With Tim's team of experts, the fairgrounds is always show ready and no emergency during an event is beyond their grasp. Tim is a car guy and retirement will give him the much needed time to get his fleet on the road and to join us as a guest at our shows. Thanks Tim for all the years of service and enjoy that much needed time to play!"

### **From Carlisle Events Co-Owner Lance Miller**

"Tim is an excellent manager along with having a unique way of jumping into any type of job that's thrown at him and getting it done. Carlisle Events was lucky to have such a great person at the helm of the facilities team. He and his team work incredibly hard and do so with smiles. I'd like to take this opportunity to share my sincere appreciation for his many years of hard work and dedication. Again, Tim, thank you for all you've done and enjoy your retirement my friend!"

2015 CORVETTES AT CARLISLE

# Carlisle Events: 2015 in Review

By Mike Garland, Carlisle Events Social Media Coordinator

## ■ Corvettes at Carlisle

Amazing weather and a passion for America's sports car helped to make the 2015 Corvette show a huge success. Corvettes from every era were on display as guests from around the country filled the fairgrounds. Highlights include a salute to service complete with a live performance of the National Anthem, an Army swearing-in ceremony and patriotic displays including an American Flag made of Corvettes (pictured above). The 1965 World's Fair Corvette chassis and engine were on display, marking the first time in 50 years they have been seen in the U.S.A. The event also offered a variety of expert and technical seminars, GM's Team Chevrolet, and special guests including designers Reeves Callaway and Chip Foote. The brand-new Beauty and the Beast contest featured female Corvette owners. The burnout and Ms. Corvettes at Carlisle contests added some additional entertainment to the event while the biggest parade in the event's history provided a fun Saturday evening for the Carlisle community.

## ■ Bloomsburg Nationals

We took the show on the road to Bloomsburg, PA in August and welcomed about 800 show vehicles and thousands of guests. Friday's main activity was a parade where hundreds of classic and collector cars cruised the streets of downtown Bloomsburg and then parked so enthusiasts could get a closer look. The evening wrapped up with live music and a flame-throwing show. Saturday was full of fun contests and activities that the whole family could enjoy from a kids' scavenger hunt to a wing-eating contest and even a demolition derby. One of the main attractions over the weekend was the Movie Car Madness display, where well-known vehicles like the General Lee, Bandit Trans Am, and even the Bullitt Mustang were showcased.

## ■ Carlisle Truck Nationals

Attendees at the truck show always bring their unmatched enthusiasm. This year they traveled from 25 states and two Canadian provinces! This event is always

## Bloomsburg Nationals

a big draw for families with the monster truck and fire-breathing transformer shows in addition to the Phantom Entertainment Fun Zone. Attendees can also get up close to some pretty impressive big rigs, see historic fire trucks, tricked-out vans and everything from mini-trucks to lifted 4x4s. The burnout and frame-dragging contests are always popular as is the Ms. Truck Nationals contest. Live music played throughout the weekend as well. A good time is always in order at the Carlisle Truck Nationals.

### ■ Carlisle Performance & Style

P&S 2015 offered more than 1000 cars, lots of people and three days of excitement! Unique indoor and outdoor displays wowed enthusiasts, plus awesome weather helped boost attendance. Multiple awards were issued, including numerous "Carlisle Elite" picks, a Kids' Choice award and Best of Show. NICOClub and their supporters tore up the autocross/drift course, while burnouts, beauty and the low car limbo proved as popular as

always in front of the grandstand. Back for the first time in many years was an exhaust contest, backed this year by HKS. Complete award winners and judging breakdowns are available on the P&S web page and there's even a photo gallery on Flickr for you to check out!

### ■ Carlisle Chrysler Nationals

Mo-cars, Mo-people, Mo-excitement, all at the world's largest all-Mopar event! 2015 saw great weather and a record breaking showfield turnout. Best of all, gate traffic was amazing as the legend of the Carlisle Chrysler Nationals continues to grow. Hot draws were speed based. Autocross with Hotchkis, the Petty's Garage Burnout Contest and the Dodge Rocks Tour, complete with Hellcat thrill rides, wowed thousands, plus decades of Mopar history was on display. Special guests were a popular draw too. Tom Wopat from the Dukes of Hazzard came to Carlisle as did iconic racers the Ramchargers and Golden Commandos. Bob Tarozzi, Mr. Norm, Virgil Exner, Jr. and more also cruised in to hang out and talk

shop. From special ceremonies honoring the Collector Car hobby to a unique Dream Car giveaway unveiling, the weekend had everything a car lover could want.

### ■ Carlisle GM Nationals

If you love GM history, the 2015 Carlisle GM Nationals was the show for you. From early 1900s antiques to modern day muscle, the event showcased GM's best. The invitational displays hosted some of the coolest cars you'll ever see. Building Y took a trip back to the '80s with the IROC-Z Camaro and Building T hosted the Fabulous Fins and more. Building G was home to the Solid Lifter Showroom and the gem of it all, the first Camaro ever produced. Saturday was wet to say the least, but turnout was impressive given the circumstance. Between Friday and Sunday's excitement, a great time was still had by all. Sunday featured drifting exhibitions as SLP presented Formula Drift Champion Michael

Essa and there was autocross, the awards parade and even more cars cruising in for a fun final day.

### ■ Carlisle Ford Nationals

The 2015 Carlisle Ford Nationals served up another amazing weekend. The event was active from early bird day on Thursday through Sunday when the final showfield awards were presented. Guests came in droves to see the Ford GT, GT350, Thunderbird and Merkur displays, while the Carlisle Expo Center offered test drives from Ford and featured the all-new Focus RS, GT350 and the GT350R. Along with showcasing the future of the brand, Ford Performance also offered a \$2,000 parts shopping spree giveaway. Special guests including Camilo Pardo, Steve Saleen, Chuck Cantwell, Hubert Platt and the Robertson Racing Team were in attendance as well. The first-ever Ford Nationals Select Display was a hit, featuring unique vehicles like an F-150 Tonka Truck and a 1966 Bronco Roadster.

## ■ Carlisle Import & Kit Nationals

We welcomed import and kit cars from around the world in May including special guests, special displays and technical seminars. Asian cars took center stage with guests seeing some rare gems from the '30s plus many more from the Far East. Autocross was popular, too, as dozens of drivers pushed their rides to the limit on the track, while other guests browsed the swap meet. The passport "scavenger hunt" guides attendees through the showfield to get their "passport" stamped at each checkpoint giving them a tour through the different makes of vehicles. Next year, German cars will be featured.

## ■ Spring Carlisle

What a weekend at Spring Carlisle! Though the weather was cool, the sun was shining and money and merchandise were changing hands left and right. Vending space was sold out, so much so that when the 8,100 spaces

filled up, 38 more were generated and quickly sold. From sun up to sun down nearly 100,000 guests meandered the grounds for all things automotive, plus unique collectibles, memorabilia and more. The Hot Rodders of Tomorrow also took center stage Friday and Saturday, with defending national champion the Burton Center for Arts & Technology coming out on top, completing their engine rebuild task in a time of 21 minutes.

Across the street at the Expo Center, Carlisle Auctions successfully sold a Pontiac Trans Am "Smokey and the Bandit" replica made for and owned by Burt Reynolds, star of the movie, himself! Another "star car" sold at the auction was a Ford Mustang GT painted like a New York Yankees team jersey, autographed by Derek Jeter and several pieces of Jeter merchandise. Overall, the auction sold 65% of the 360+ consignments and hit the \$4 million mark!

## Auto Mania • January

## > 2015 Review continued

Winter and Fall AutoFest • February & November

### ■ Winter Florida AutoFest

The Winter Florida AutoFest, formerly known as Zephyrhills AutoFest, enjoyed sunny skies and aisles packed with automotive enthusiasts. The enthusiasm was so high that vending, car corral and auction lots were sold out. Additional highlights included the Hot Rodders of Tomorrow, a NASCAR race simulator, the Dale Earnhardt #3 Wrangler stock car and the thrill of the live auction. The collector car auction ran 400+ vehicles across the block and had a huge increase in registered bidders. This event moves to the SUN 'n FUN facility in Lakeland, Florida this November and again in February. We hope you'll join us in the Sunshine State!

### ■ Auto Mania

The 2015 Carlisle Events season started the year with Auto Mania at the Allentown Fairgrounds. The event drew thousands over the course of the weekend. Indoor vending space was sold out and guests came from all over the region to find deals on tools, parts, merchandise, memorabilia, collectibles and more. With temperatures and Mother Nature cooperating, PA's largest indoor heated swap meet was able to expand outside, offering even more sales space for merchandise and vehicles for sale.

# Carlisle Vacation Home

By Sarah Burkarth, Carlisle Events Social Media Coordinator

To the average person, a “vacation home” in Carlisle, PA may seem odd unless it’s a cabin by Laurel Lake. To anyone involved in the automotive hobby, it’s a terrific idea since the Carlisle Fairgrounds hosts some of the largest automotive events in the world.

Born and raised in Connecticut, Ken Jones heard about Carlisle as a teenager. He attended his first show in 2000 with a group of friends. Initially, the group came to Spring Carlisle each year and an occasional specialty show. As time passed, they made Fall

Carlisle a staple in their Carlisle diet.

Traveling from Connecticut several times a year began to take its toll and the group joked about buying a vacation home here. In 2012 when Ken’s friend, Norm, passed away he too seriously considered the idea. Then in May 2013 he bought a house only two miles from the fairgrounds. “This has enabled me to have great flexibility in attending the shows,” explained Ken. “Having a house here has been great in so many ways – it’s close to Hershey and my children love to remind me of

that fact so I will take them to the park,” he joked.

Ken and his friends also enjoy the auction. “It’s interesting and exciting to watch, and we try to make time to check it out,” he added.

Ken advises enthusiasts, “Bring your kids to the show and get them involved in the hobby early. Like so many things, it’s vital to keep new people interested so it continues to thrive.”

The First in Synthetics®

### OFFICIAL OIL

AMSOIL specializes in developing synthetic technology designed for those who demand the best. Our full line of synthetic lubricants allows you to harness the full potential of whatever you drive, ride or operate.

Since the beginning, AMSOIL has stood apart from other lubricant companies. AMSOIL President and CEO Al Amatuzio founded his company on the same principles that defined his career as a jet fighter squadron commander – excellence, integrity and strong leadership. In 1972, his first breakthrough came. AMSOIL 10W-40 Synthetic Motor Oil, the result of years of research and inspired by aerospace technology, became the first synthetic motor oil in the world to meet American Petroleum Institute service requirements. It outperformed conventional oils on all counts, signaling a new age in lubrication science.

Since then, our commitment to performance hasn't relented. Our synthetic lubricants – formulated, blended and packaged in Superior, Wis. – continue to reset the standard, enabling you to continue testing the limits of vehicle power, speed and performance.

Not only do we tell you what a car sold for, we help you understand why. Every issue also includes in-depth profiles on cars from GM, Ford and Mopar, joined by Hot Rod, Race Car, Corvette and Truck. Whether you have one car or 20, ACC has the information that'll keep you on top of what's happening in the American collector-car world.
