August 8-10, 2014 • Bloomsburg, PA

As the co-owners of Carlisle Events, Lance Miller and I would like to share a hardy welcome to you and thank you for choosing to join us this weekend. This show has grown since we first started supporting it in 2012 and that would not be possible without you. You'll notice some changes this year and we hope you enjoy them. Back by popular demand, you can enjoy the Flames R' Us Flamethrowers, and for the first time at this show, a demolition derby! In addition, we have added more family fun with live music, dancing and a movie; *American Graffiti*. In addition, we take the fun downtown with the

Gridlock Parade and on top of it all, we strive to provide you with the best possible car show experience *ever!*

Our staff that has traveled from Carlisle will do their best to accommodate your needs and help you feel at home. We'll have staff taking photos and video that will end up on our website, plus they'll be helping the Dream Machines Motor Club with other entertainment and activities. We want you to enjoy the food too, after all, many of the same vendors from the Bloomsburg Fair in September are onsite this weekend.

Finally, we ask that you be respectful to those next to you throughout the weekend. While there is no reserved parking, we hope you'll be considerate when securing the place where your beauty will be.

This will be a fun family weekend with cool cars, great activities and delicious food. Also, if you like what you see here, consider joining us in Carlisle for our events at the Carlisle Fairgrounds. Make yourself at home and enjoy the Bloomsburg Nationals.

— Bill Miller, Jr. and Lance Miller, Carlisle Events Co-Owners

Hello, and welcome to the 2014 edition of the Bloomsburg Nationals: Powered by Carlisle Events! My name is Tyler Staley, and I am very excited to be the new event manager for this year's show. We have a ton of great activities slated for this weekend, including The World's Largest Demolition

Derby – hosted by JM Productions, a flamethrower show presented by Flames R Us, a burnout competition and also Date Night on Saturday evening. With many new activities available for your enjoyment, this should be an exciting weekend for enthusiasts of all ages.

My fellow staff members often describe the Bloomsburg Nationals as “a show for anything with wheels and an engine.” I think this description is great, because this truly is a show for any and every type of gearhead. The fact that all types of car lovers get together and enjoy a weekend full of fun makes this an event we, as a company, are glad to have on our roster. I have always been a fan of anything mechanical, regardless of make or model, so I am eager to meet all of our supporters and enthusiasts this weekend.

I would like to offer a particular nod towards all of our car club volunteers who help us with the show – your efforts are truly appreciated. Without our dedicated club members and fellow enthusiasts like you, shows like this would not be possible. I want to sincerely thank everyone taking the time to come to the show and I hope you have a fun, safe and thrill-filled weekend!

— Tyler Staley, Event Manager

Restaurant Partner

Quaker Steak & Lube is a Pennsylvania-based restaurant chain that has locations across North America. "The Lube," as it's affectionately known, emanated from the western Pennsylvania town of Sharon and now can be found as far west as Colorado, south to Florida and north into Toronto. The Bloomsburg location, situated at 211 Columbia Mall Drive just off I-80, will serve as home base for all things automotive and culinary during this weekend's event. Visit Quaker Steak & Lube online for location-specific specials, including a vast array of award winning wings.

While in Bloomsburg this weekend, consider Quaker Steak & Lube as your prime secondary location when not on grounds. Quaker Steak & Lube is a sports bar with an automotive theme. This weekend, Bloomsburg's QSL hosts a Thursday (August 7) kick-off party from 6 p.m.-9 p.m. The kick-off party will feature a live radio remote from Y106.5 FM and will also afford enthusiasts the opportunity to register their show car for the fun field and the weekend's event.

In addition to the kick-off party on Thursday, Quaker Steak & Lube sponsors a wing eating contest, held on the grounds of the Bloomsburg Fairgrounds. The gluttonous fun takes place Saturday beginning at 12:30 p.m. The contest is open to anyone with an appetite for wings and a penchant competition. The person who consumes the most wings will win bragging rights, while everyone else earns the right to say they ate a lot of wings.

Partnering with Quaker Steak & Lube was a natural fit for Carlisle Events and "The Lube." QSL has hosted a Bike Night every Wednesday night at the Bloomsburg location as well as its locations nationwide for some time. In addition, the restaurant has a car on its roof. That in and of itself makes "The Lube" your pit stop for automotive and culinary action anytime you find yourself in Columbia County.

Dream Machines Motor Club

Having previously worked with a local hospital to host a similar version of this event, the Dream Machines Motor Club has experience with car shows to say the least. The group, chartered in August of 1991, is lead by President Jack Runge and Vice President Tom Quick. Everyone associated with the Dream Machines Motor Club has a common goal, to promote highway safety and work to help local charities.

Historically, the Dream Machines Motor Club hosts one major event annually with additional cruise-ins taking place monthly. The cruise-in dates are usually the fourth Saturday of each month from April to September at the nearby Columbia Mall parking lot and money realized during many of their outings goes to select charities. Charities include Camp Victory, Salvation Army Children's Christmas, Special Olympics, Bloomsburg Fire Department and more. Details on each cruise-in may be found by visiting www.thedmmc.org.

Anyone bitten by the automotive and/or charitable bug is encouraged to be part of the Dream Machines Motor Club. Dues range from a minimum of \$20 per person to a minimum of \$25 per family. Club membership ranges from 60-100 families, with many members showing their vehicles regionally and locally.

The Dream Machines Motor Club is proud to be part of the Bloomsburg Nationals powered by Carlisle Events weekend and invites current and prospective members to stop to visit them this weekend at the event as well as at their monthly meetings, held the first Tuesday of each month at the Bloomsburg Municipal Fire Hall.

BY CHOICE HOTELS

Preferred Host Hotel

In 2012, Carlisle Events and the Econo Lodge of Bloomsburg inked a partnership to make the Econo Lodge the official host hotel of event weekend. In doing so, the Econo Lodge, a Choice Hotels property, offered great perks which lead to this weekend being near capacity for the location.

By using the Econo Lodge, attendees have a comfortable place to stay while in the heart of Columbia County. The Econo Lodge is less than 4 miles from the Bloomsburg Fairgrounds and offers special rates for show participants. Don't hesitate to reach out to the Econo Lodge to book a stay for next year's event or events in the region by calling (570) 387-0490.

The Econo Lodge, located at 189 Columbia Mall Dr. in Bloomsburg is pet friendly and conveniently located just off I-80 at exit 232. In addition, the Econo Lodge offers a FREE deluxe continental breakfast, FREE wireless internet, a guest laundry facility and fitness center, in-room coffee. Most rooms offer a refrigerator (some offer a microwave as well.) ample parking including space for trucks, trailers and haulers of show cars and best of all, the Econo Lodge honors their 100% cleanliness satisfaction for each of its 80 rooms.

The AAA approved, Gold Award Winning Econo Lodge is rolling out the red carpet for show goers this weekend. With a stay, patrons are eligible for a 10% discount to Perkins and Quaker Steak & Lube restaurants. Econo Lodge will also provide our guests with a 10% discount to Bloom Raceway & Hobbies that you can stop in and use any time!
