## FROM THE OWNERS

LANCE MILLER, BILL MILLER, JR.,  
BILL MILLER III

Thank you for choosing to spend your weekend with us. It is because of you that we are able to continue producing world-class automotive events for 45+ years. We hope you have a great experience!

## TAKE OUR SURVEY

We always welcome your comments and suggestions. Go to the event web page on our website and click on the "Take Our Survey" button.

## FROM THE EVENT MANAGER

Don't *lower your expectations* and put down your *M&M's!* If the truck clubs and individuals pre-registered for this event are any indication, we should be *exceeding limits* this year! This weekend you will see *sky high rides* and *old body style trucks* along with *addicted truck enthusiasts*. Look for participants *talking Titans*, by Nissan and an array of *diverse rides* from *full size Chevys* to *Mopars Xactly* as their owners' *altered dreams* envision them. As long as we don't see a *syclone* or *typhoon* this weekend, that could put a *Hawaiian snow plow team* to work around your *street sleds*, the *big dogs* will be out. Look for a *fine line* up of big trucks south of *Vanarama VIII's Thunderdome* gathering as well as an historical display of *antique trucks* that would make any *ten nations* or *society* proud!

To compliment all this, we have put together a number of featured vehicles, entertainment, activities and stunt shows exhibiting a little bit of *abnormal behavior* sure to entertain anyone from *crotchety ole' guys* to *misfits* to *old fire fighters farting* around in Building T with fire trucks. Check out our event highlights on pages 8-10 or download the Carlisle Events app for more information on Monster Truck Shows, Freestyle Motocross and Mountain Bike Stunt Shows, Live Music, Truck Contests and much more.

All of this happens with the support of our sponsors. Special thanks to our friends and neighbors at A&A Auto Stores for presenting this event. Look for them on Row S where they are doing on-site installations of exhaust systems and more. Joining our Official Season Partners for this event are Extang Tonneau Covers, Ranch Hand Bumpers and American Force Wheels along with a number of new vendors on our Manufacturers Midway. *Triple* your fun by visiting our vendor aisles to scout around for *diamonds* and deals on *4 wheels* or automotive parts, products and more. If trucks are truly a passion for you, the trucking industry is looking to employ and the pay looks good. Find out from the recruiters in the Big Rig area if you can make your passion for trucks a profession.

Whether you *walk* or *wheel* it around the event, we hope you *never* say that you and/or your *crew* are not *satisfied* with your experience at the Carlisle Truck Nationals! *Surf's Up*, so enjoy your weekend and honk your horn for the *Purple Helmet* crew at Gate 3.

## THEIR OIL

## AMSOIL

Testing conducted in an independent laboratory using AMSOIL Signature Series 5W-30 Synthetic Motor Oil against a leading brand 5W-30 synthetic-blend motor oil in Ford\* F-150 trucks with 3.5L twin-turbo engines.

Your bearings shoulder the burden whenever you tow, haul or stomp the gas. AMSOIL delivers powerful protection for bearings and other critical components so you can drive with confidence. To demonstrate, an independent lab put AMSOIL synthetic motor oil head-to-head against a leading competitor in a 100,000-mile test. AMSOIL provided far superior wear protection and kept bearings looking like new. Get your ride the protection it deserves.

The Old Fire Farts hail from York County, PA and are dedicated to the preservation of the fire service for future generations. They collect and preserve historical fire information, equipment and memorabilia. They raise funds to support local fire museums as well as for educational grants and scholarships for emergency response personnel such as firefighters, EMTs, emergency managers and other first responders.

Building T will feature a few trucks belonging to their members and supporters with an emphasis on Hahn Fire Trucks. Russ Mason worked for Carlisle Events for 13 years, having started in 2006 at the tender age of 22. During his tenure, he's literally done everything possible. Professionally, he was the facilities assistant, but to us all, he was much more than that. Russ was a welder, electrician, builder, voice of reason, authority figure, TV star and more. If he wasn't helping current director Scott Amig or former director Tim Bowman around the shop and

the grounds, he was wrenching something for his own doings.

Russ has been featured on TV multiple times, including in 2016 when *Velocity* (now *Motor Trend*) brought builder and host Bryan Fuller here to take on Russ and his buddies for a show called *Swap Meet Showdown*. In addition, Russ has been our resident Slim Jim expert, popping countless locks of cars.

On Saturday, as you settle in for the burnout contest, keep in mind that Russ has kept this contest going. He has the ears and eyes to know when things are right or wrong with a vehicle in the pit. He's doused many fires in the pit, kicked a few people out and helped push battered and broken machines away.

Personally Russ is a husband, and, father of two

girls. He and his wife recently purchased property in York County, where he's been working on building a shop for his wrenching fun to continue. He's also started to write the next chapter of his life. With good friend Cody McCoy, they have started an HVAC company. It's all together possible that Carlisle Events was their first client, having replaced one of our HVAC units last year.

"Russ has been a staple in the maintenance department for Carlisle for a long time," noted Facilities Director Scott Amig. "He can fix anything and was a go-to guy with any issues we had. He will be missed from a personal and work standpoint. We wish him the best in his new endeavour."

Thank you Russ, you will be missed and we wish you the best!

A&A Auto Stores is the Official Performance Parts Installer for Carlisle Events. A&A Auto Stores is also the Presenting Sponsor of Truck Nationals, which fits perfectly into our mission of providing the biggest selection of aftermarket accessories and OEM parts to truck owners in the industry. We are enthusiasts too and take tremendous satisfaction in knowing that A&A is in the position to get them what they need regardless of what make or model truck they own. A&A Auto Stores will be offering exhaust installations and more on the

## WHEN YOU TUCK HER IN, DO YOU SING HER A LULLABY?

To say that she's special is to state the obvious. Some people might call you obsessive. Or misguided. Or foolish. Some people have never driven a truck in their lives. The truth is, you were overjoyed when she became yours. And years later your feelings for her have only grown. So, when you turn off the light and close the door, we'll understand if you linger for a moment before you say goodnight.
